

SDP TRAINING CAMPS

SENIOR DEVELOPMENT

LAST year we trialled a few SDP CAMP with some success. The idea was to deliver a environment of development so that the riders can progress their race craft & skill in a local environment. The new season now bring us the opportunity to deliver a full program of camps to the sport.

We would like to welcome onboard Ash Rawson as the BMX New Zealand SDP Coach, who is our volunteer putting in the time to plan & deliver the camps. We are looking to deliver these camps across the country and we are still working to finalise some dates and times. We hope to see lots of riders out there getting involved, now it is nationwide, and hope we can assist in a bigger way with general rider development.

Along with Ash, he is planning to have some sports experts on hand to assist & will work on delivering some specialised help to provide better information for riders looking to step up their skills. The Camps are aimed at riders UCI14+ to UCI18yrs who are focusing on development of their riding & learning the culture of being an athlete in BMX.
